No interests were declared.

3. To allow local electors to comment on matters to be considered at this meeting in accordance with Schedule 1 of the Council's Standing Orders

No local electors wished to speak.

4. To consider further the proposed Communications & Publications Committee and related matters

The Clerk referred to the benefits of a working party structure for carrying out the work required. Cll Woods concurred and said that the priority was to move forward with the standing orders review and concurrently to continue this work within a working party structure. The role that the new clerk would play in this work would need to be considered before the structure was finalised.

With the exception of Cll O'Neill the Committee recommended this approach to the Council.
