

## Bungay Town Council - Mayor's Report January 2015

In recognition of both the Christmas break and seriously unpleasant bugs, that prevented me attending some events, this month's report is a short one.

On 17<sup>th</sup> December I attended the town's annual outdoor Carol Service, held in Jesters courtyard. It was a lovely mild, clear evening and the event was well supported. Once again the singing was accompanied by Frances Drew-Batty and several of her young pupils.

More carols on 19<sup>th</sup> when I attended Waveney District Council's Carol Service held on this occasion in Oulton Broad.

Due to my absence over Christmas preventing my accompanying the Town Reeve to All Hallows Hospital and the Nursing Home on Christmas Day, I visited them on Christmas Eve to distribute festive cheer and edible goodies.

This evening, Friday 16<sup>th</sup> January, I am to open the 2015 Brains of Bungay Quiz for it's 25<sup>th</sup> year. This is normally a duty performed by the Town Reeve but due to even his inability to multitask and wear both the Reeve and Quizmaster's hats the pleasure falls to me!
