

Mayor's Report

January 2016

Dear All.

I trust you all had a very happy Christmas.

This last few weeks has been really rather hectic with very many issues emerging from, not only District Council, but also from our local police force, but more on this shortly.

Firstly, the civic side of Christmas.

With the Reeve, Eammon and Elaine, Alice and I had the annual Christmas Day visit to Adele House in town and to All Hallows Hospital in Ditchingham.

On Boxing Day Eammon, Elaine, Alice and I attended the Groggy Doggy Run held on the common. This event is hosted by The Black Dog Running Club and was again a huge success.

I did not attend the Boxing Day Hunt as I was otherwise engaged with prize giving at the Groggy Doggy.

Policing

On the run up to Christmas we were made aware of proposed changes to local policing and since then meetings have been held with the PCC, the Police and Beccles Town Council to review this and identify the best way forward locally.
