

Reminder - Changes to Green Bin Collection

From 29th of February 2016 only residents who have registered with Waveney District Council and paid an annual fee of £42 on or before Monday 15th February will have their green waste collected.

There will be 26 collections each year, working out at £1.60 for each collection. In addition, from the start date, the green bin will no longer accept food waste.

Once the annual fee has been paid residents will be issued with a sticker to put on their green bin and only waste from these bins will be collected. In addition all obsolete green bins will be collected from March onwards and recycled.
